### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: Claims 8-17 has been amended on 10/20/2003 Pursuant to 37 C. F. R. 1.312. Amendment has not changed the scope of the claims. Therefore the claims are allowable over the prior art of record for the same reason, for which they were allowed previously: Each button receiver member including a plurality of openings each adapted to receive a button pin and each including a sensing member that is configured to detect the presence of the button pin (claims 8-12); The button does not comprise an internal switch (claims 13-17).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure: Daigle (US Patent 4,132,877); Desmarais et al (US Patent 4,417,115) and Stout (US Patent 3,934,104).

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael V. Datskovskiy whose telephone number is (571) 272-2040. The examiner can normally be reached on 8-4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Lynn Feild can be reached on (571) 272-2092. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
